Tough, bold, minimalistic and ruggedly beautiful.

The Matt finish garage door is made from BlueScope steel, which allows you to make stylish and defining design choices for your home. Choose from six of amazing Colorbond® colours: Surfmist®, Shale Grey™, Dune®, Bluegum® Basalt®, and Monument® to make your design statement.

Why choose Matt finish?

- Long term durability with exceptional corrosion and dirt resistance.
- Manufactured in Australia and compliant with relevant Australian standards.
- Designed to withstand the harsh Australian environment, maintaining its Matt finish, looking even better for longer.
- Suitable from moderate to severe marine or industrial environments.
- Complement any Colorbond® Matt roof or window frames.

Colours

Please note: The colours shown are a guide only. The limitations of printing processes make extremely accurate matches impossible. We strongly recommend comparing your choice with actual samples. Additionally, Steel-Line reserves the right to vary or delete colours without notice.
